### A ROSE IS BEST

Experts will tell you rose oil proves one of those ingredients that cures a host of ailments. It fights wrinkles, decreases anxiety and stress and a whole lot more. Enjoy a 50 minute relaxation massage with glistening scents of fresh roses. Our signature rose oil blend is massaged throughout your skin, providing a relaxing, aromatherapeutic experience. The service concludes with a dried rose petal sugar scrub further massaged into tired muscles. This exfoliates and leaves your skin refreshed and reinvigorated.
