TUNE IN TO YOU – HYDRAFACIAL

Take time to tune out the world and treat yourself to a luxurious spa day. This truly pampering, 80-minute experience starts with a deep skin cleanse, setting the stage for the transformative HydraFacial. This signature treatment revitalizes your skin, clearing pores to reveal a fresh, bloom-like appearance. The soothing, hydrating benefits of GM Collin's Algo mask, which refines your skin's tone, enhance the facial renewal. Conclude your session with the GM Collin Diamond collection, a suite of finishing products that leave your skin radiantly smooth, reflecting your inner and outer brilliance.

CITRUS & SCENTS – PEDICURE

Spring into the season with Spa Pechanga's new Coconut Lime inspired pedicure. Begin with a lemongrass-ocean mineral sea-salt soak to exfoliate and refresh your lower legs. Breathe in the invigorating scents of freshly sliced citrus, as natural oils work to refresh and revitalize. Relax with a sip of lime mint water while Farm House Fresh's Citrine Beach Body Milk deeply hydrates your skin. Next, wrap your feet in soothing paraffin wax for smoothness. Conclude with your choice of nail polish, enjoying a meticulous buffing, filing and polishing to perfection.
